

LEVEL 2 EARLY YEARS PRACTITIONER APPRENTICESHIP

About the apprenticeship

This apprenticeship is for individuals who are at the start of their early years career or who wish to take their first steps into the childcare sector. This programme will develop the knowledge, skills and behaviours of early years practitioners.

You will be working in a role such as Nursery Assistant, Early Years Practitioner or Nursery Practitioner and will work as part of a team with responsibility for supporting young children from birth to 7 years of age with child initiated and adult led activities based around the needs and interests of each individual child whilst also ensuring their care and welfare of under the guidance of an Early Years Educator, teacher or other suitably trained staff.

Duration

With a duration of 15 months (including 3 months End Point Assessment), you will receive online training and support from our assessor.

On starting you will undertake an online skills scan enabling us to understand your learning style and needs and we will tailor your learning experience accordingly. Your assessor will work with you to ensure that you stay on track to complete your programme on time by managing your progress through Bud our learning platform.

Off the Job-Training

20% of your time at work is spent completing off the job training. This can be any time devoted to learning and improving new skills and can include:

Online teaching, practical training, writing assignments.

Entry requirements

You must have been a UK, EEA, or EU resident for at least the three years immediately before starting the apprenticeship. In addition, you must be employed in a relevant job role and able to commit to the full length of the programme including the End Point Assessment.

If you do not have GCSE grade D2/3 or equivalent in Maths and English, you will be required to work towards achieving these qualifications as part of your apprenticeship.

End Point Assessment

The knowledge, skills, and behaviours that you have learned throughout your apprenticeship, and which confirms that you are occupationally competent will be assessed by an independent assessor. This will be through a combination of the following: - Professional Discussion underpinned by a Portfolio of Evidence and a multiple-choice knowledge test.
